June 2013

Volume 34 | Issue 6

MINUTES OF MAY MEETING

Connie opened the meeting. Connie addressed that we need volunteers for Art Camp photography this summer as well as Dinner & Dancing Under the Stars.

No Treasury report was given due to Walter and Dizzy being out tonight.

NPA is having a nature photographer at their next meeting, June 4th, and we are all invited to attend.

Vivid Color Competition, Richard has results.

Next competition for July meeting is '**Upside Down**'.

June program will be still life photo shoot in the courtyard at MET. Everyone bring cameras, tripods and 'still life' objects to set up to shoot.

The following was not part of the meeting minutes, but added by Staci for future info: July program will be Critique Session. Everyone please bring some of your still life photos from our June meeting to show and critique.

We bought the DVD set as a club. I have not personally watched any of them and therefore randomly picked one for us to watch in our last meeting. That did not seem to go over very well. I will send out a list of topics within in the next week that are on the DVD's and would like for members to select something for us to watch that might be of interest to you all. I will also bring the DVD's back to meeting in June for those who are interested to take and watch on their own time.

May "Brilliant Vivid Color" Competition Winners:

1st Connie Thompson

2nd Carol Riggs

3rd Angelyn Bassinger
