MINUTES OF APRIL MEETING

The APA Photo Club met at the Museum of East Texas at 7 p.m. for their regular business meeting on April 17, 2014. There were 16 members and 2 visitors who were in attendance.

President Bill Tindall called the meeting to order.

Walter Streich, Treasurer reported the ending balance for March 2014 to be \$3,465.18.

You may pick up your photos that you submitted for the Black/White Exhibit "Letters" on Tuesday, April 22, 2014 at the Museum front desk.

The annual Children's Art Camp will be on May 27 - August 15, 2014. A list for volunteers was passed to our membership soliciting help by taking photos of these classes. They specified their available dates to volunteer which will be given to the Museum Director, J. P. McDonald.

Connie Thompson collected ideas from membership to submit for subjects for the upcoming 2015 Spring Black/White Exhibit.

It was called to our attention that June 2014 will be the designated time to rotate our photos that we have in the Moore building, and it was stated that more publicity is needed for this project.

Our next meeting on May 15 will be time for the "Bubbles" competition. Bring in one (1) 8"x10" or 8-1/2" x11" photo to submit for judging.

The May 15 meeting is the scheduled time for Tom Willis, program chairman, to bring a DVD program on "low light Photography."

A field trip has been scheduled for Sunday afternoon, May 4, 2014 at 4 p.m. to go to Twin Dykes Lakes Park and boat ramp to take "twilight" photos. Be sure to bring your camera and tripod and meet at Ritter Lumber Company on Hwy. #69 South as a gathering place for this excursion.

Our October fall color exhibit has also been named as "Dusk or Dawn" (Twilight).

Meeting adjourned.

Geraldine Renken

Acting Secretary

(in the absence of Dennis Rankin)
